

WHAT IS THE ISEA SCHOLARSHIP FUND?

In 1986, under the leadership of president Ken Tilp, the Delegate Assembly took action to establish a scholarship fund. This scholarship helps sons and daughters of Iowa State Education Association members become teachers.

This fund relies on contributions from the membership and friends of education. No dues money is used to finance it so your donation is needed to help ensure the success of the scholarship program. The first scholarship was awarded at the 1993 Delegate Assembly.

ELIGIBILITY

1. Applicants must be a member of the NEA and appropriate state affiliate student program.
2. Applicants shall have completed 60 semester hours (or equivalent) or they must be considered a junior at the college or university in which they are enrolled.
3. Applicants must submit a statement of enrollment in the teacher education program from the college or university.
4. Applicants must be a son or daughter of an active ISEA member.
5. Applicants must indicate by their transcript and a written statement their intent to become a teacher.
6. Applications must be returned to the Executive Division, ISEA, 777 Third Street, Des Moines, 50309, no later than January 15.
7. The committee will consider factors such as GPA, financial need, and involvement in the NEA Aspiring Educators or appropriate state affiliate student program in deciding scholarship recipients.
8. One scholarship may be awarded to an actively involved ISEA Aspiring Educator member whose parents may not necessarily be educators.
